employees feel valued

99% feel culture supports their well-being

## We are ONE PATRA

#### **CORE VALUES**

Honesty, Integrity, and Respect are the foundation and core values of our company. These three pillars of success are embedded in every aspect of our organization's culture and define how we operate across the globe.

#### **POWERED BY OUR PEOPLE**

Our hybrid workforce is made up of over 5,000 employees across the US, India and Philippines regions.

#### **CULTURAL COMPETENCE**

Cultural competence is rooted in our everyday communication with one another – fostering a space where we respect and learn from each other, and value individual contributions.
